

FISCAL NOTE

HB 2379 - SB 2781

February 2, 2004

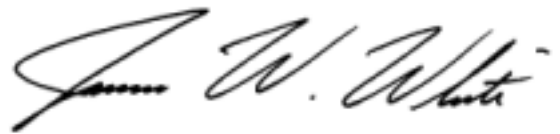

SUMMARY OF BILL: Authorizes a fire protection sprinkler contractor, through its managing employee, to perform hydraulics calculations, design a fire protection sprinkler system and prepare shop drawings. The bill also specifies that a registered engineer's seal or stamp for the preparation of shop drawings is not required.

ESTIMATED FISCAL IMPACT:

MINIMAL

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
